Dedication

Mr. John Hoskin

The senior class has been given much guidance during this year, much of it coming from one person. Therefore, the Senior Class would like to dedicate the 1976 *Schola* to Mr. John Hoskin, who has given the class much time and energy during the past year, and for many years.

STUDENT COUNCIL

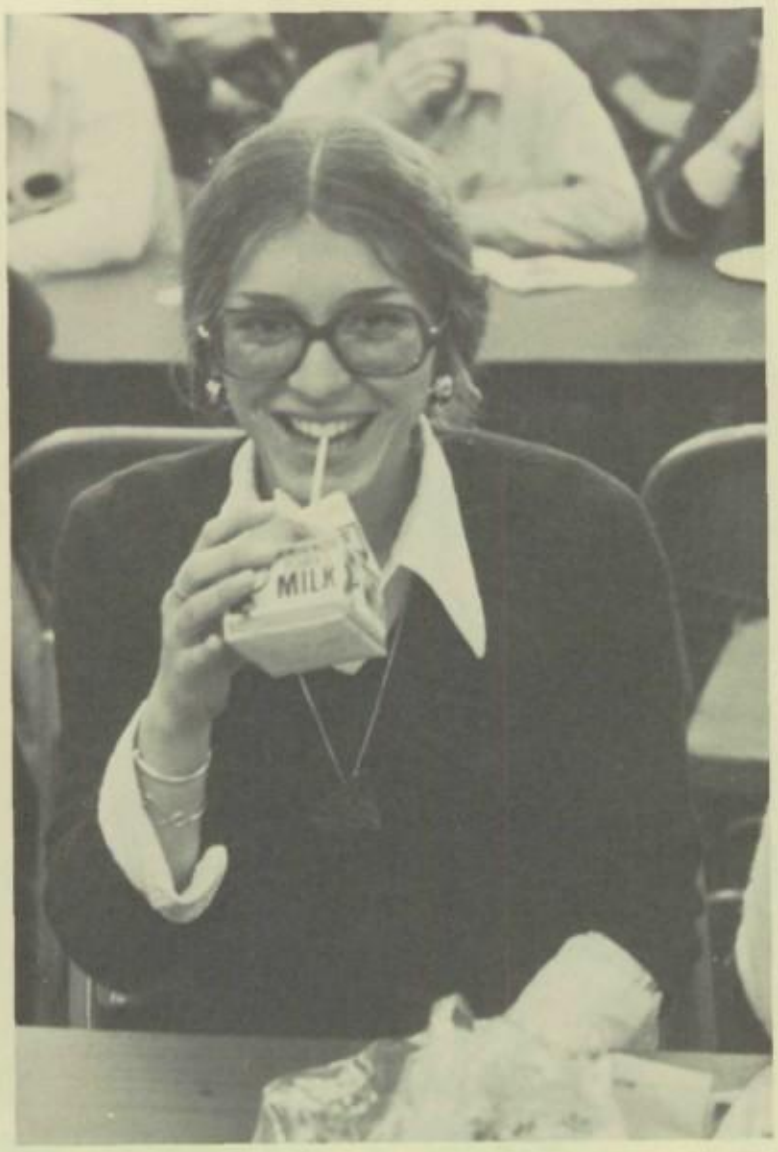
The purpose of the Student Council is to act as a liaison between the student body and the school administration. This year, the Council has many firsts; among them, the first woman president, Kathy Dornish. This year the Council has been active in bringing about many changes within the school, and even in some of the year to year projects.

Every Wednesday for about an hour, the fourteen Council members meet and discuss issues and points of interest. They are open to the student body, and are conducted in the same Democratic way the government runs the Senate.

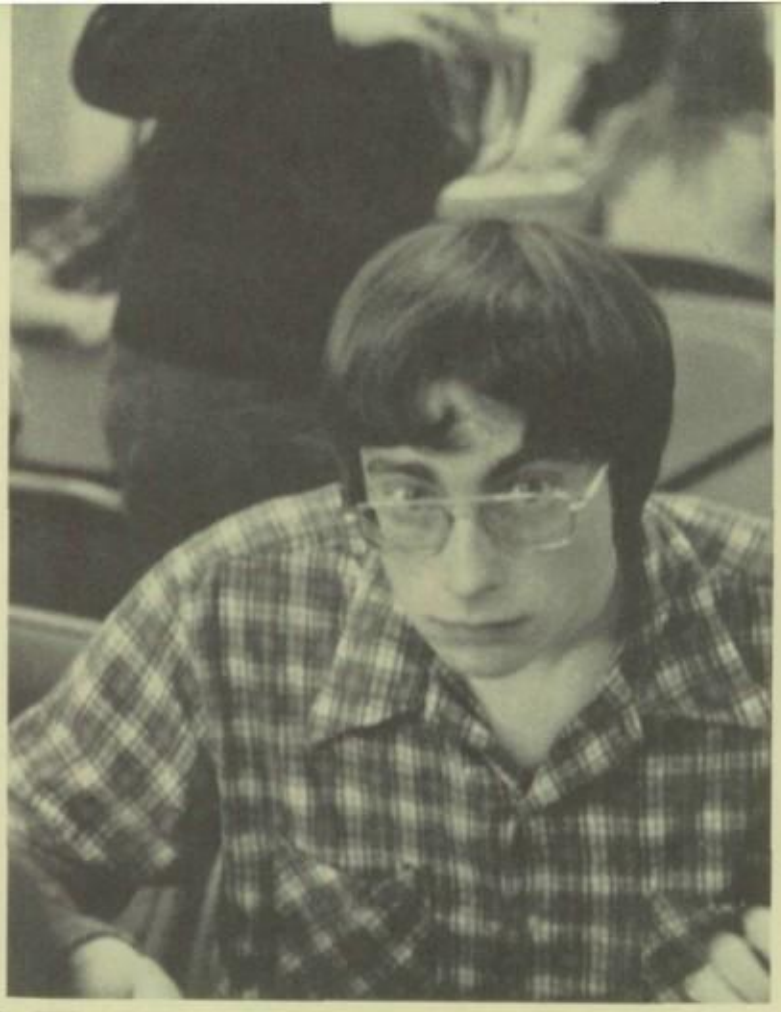
They have initiated a new smoking plan in the school which, much to everyone's pleasure, has wiped out the smoking problems in the bathrooms. They are organizing a Blood Bank Drive at the school to get students interested in donating to a worthy cause. The Student Council is also working on the annual Winter Carnival, designed to get classes to compete with each other. Each class nominates a King and Queen, chosen by the student body to represent the school. Students compete in soccer on snow, volleyball, tug-of-war, ping-pong, pie-eating, snowshoe and cross-country racing. The Winter Carnival Dance winds up the Week and things get back to normal.

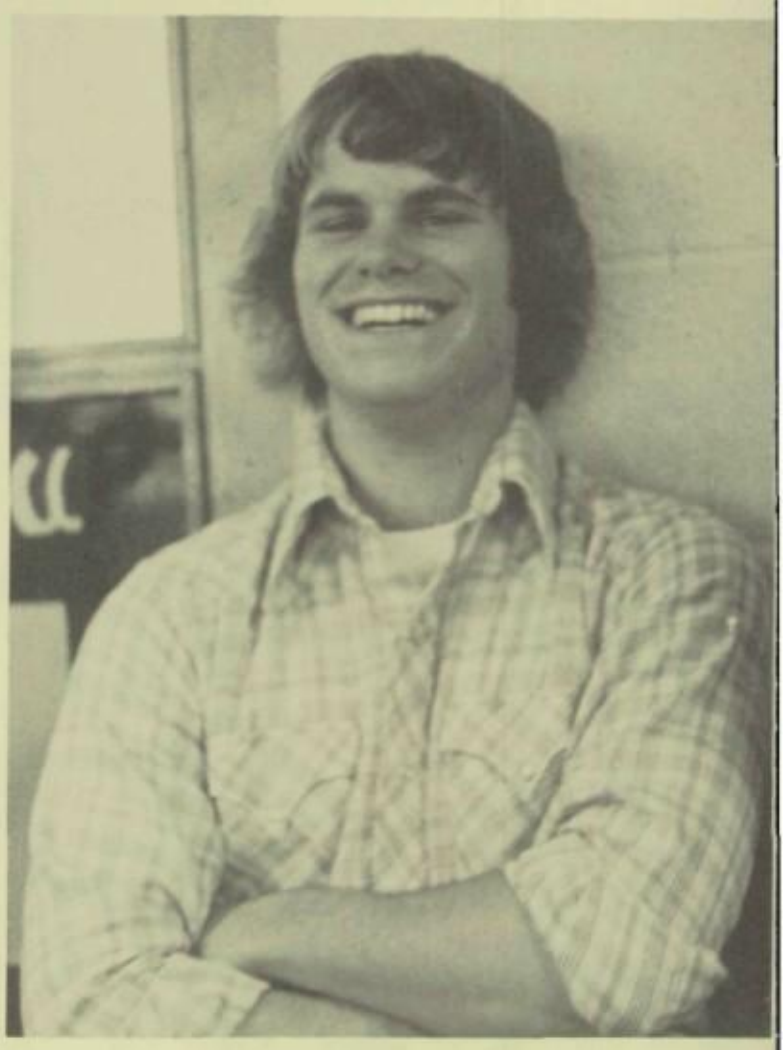
The fourteen member body is made up of the four class presidents and representatives, the vice-presidents of the junior and senior classes, and the four elected officers. The election of president is held in May; the candidates get the required number of signatures, and are brought before the school in an assembly to give speeches. The entire student body votes for the president, and then the Council members vote on the rest of the officers.

Under the direction of Mr. John Hoskin, the Student Council has much to be proud of this year; this year has been one of their busiest.



Madam President thinks, "Milk is a natural!"





THE JUNIOR FIRE DEPARTMENT

Newly elected as captain is Ronnie Ramsdell, and Mike Welch as Lieutenant. These men and the other members of the Junior Fire Department earn $2.30 an hour fighting fires in the greater Gorham area. Not only do they fight fires, but also they shovel snow away from fire hydrants, clean fire engines, and dry hoses. Once a month they have a drill on the basic techniques of fire fighting, such as ventilation, forceable entry, and salvage operations. Dennis Crowe and Ken Fickett are now qualified to drive the fire engines.

The Junior Fire Department holds vigorous initiations every fall, and these men give their all, not only during the school year but also in the summer. And we thought all they did was get out of class!

GORHAM HIGH SCHOOL KEY CLUB

The Key Club has been active this year under the expert leadership of Kyle Evans, who is President. Among other faithful leaders are Linwood Shepard, vice-president; Matty Welch, treasurer; Bobby Dale Philbrick, secretary; and Key holder Richard Young. Left banner bearer is Bill Wise, right banner bearer is Barry Saunders, and chief bell ringer is Casey Mobarry.

Key Club is under the guidance of the Gorham Kiwanis Club, and is one of the largest in the area with over 35 active members. They have had toy and canned good donations, and raised money during the holiday season for St. Anne's Church. Key Club also held a film for students of soccer star Pele. The club holds bizarre initiations in the spring, and is planning a trip to Boston to see the Celtics play.

GIRLS' ATHLETIC ASSOCIATION

Betsy Way

The purpose of G.A.A. is to interest girls in athletics, and encourage participation and good sportsmanship. The officers this year are Betsy Rust, Treasurer; Nancy Woodbrey, Secretary; Betsy Way, Vice-president; and Debbie Wright, President; of whom it was impossible to get a picture. She managed to hold still, however, long enough for the group picture.

An active group, the club has already held a foul shooting contest, a Halloween party for the Village School children, car washes and food sales, and put together a calendar of sports events to sell. G.A.A. is planning a volleyball play-day, a Splash Party at the Y.W.C.A., and are hopeful about purchasing a pitching machine for the school. They are raising so much money, the Senior Class is thinking about borrowing from them.

GORHAM HIGH MATH TEAM

Under the direction of Mr. Swierzinski, the Math Team is doing very well this year. In their division, they have placed in all the meets held so far. The Math Team practices exciting quadratic equations, trigonometric functions, and geometric formulas regularly in preparation for the matches. If you think this sounds like all fun and games, you're wrong. The Math Team works very hard under the tense pressures of these meets.

NATIONAL HONOR SOCIETY

Gorham High School's National Honor Society is made up of students who have shown outstanding ability in leadership, scholarship, character, and service.

Near the end of each year, new members are selected from the sophomore, junior, and senior classes to represent the next year's N.H.S. students. They are honored before the entire school and their parents in the Tapping Ceremony.

Each student is previously selected on academic ability; sophomores must have an average of 90; juniors, 88; and seniors, 85. They are reviewed by all the teachers, and the final selection is made by five teachers and two senior members of N.H.S.

At the Tapping Ceremony, the new members are given a yellow rose, the society's official flower, and a pin to show their membership. They recite a pledge to uphold their academic standing, and continue in leadership, character, and service.

The organization's major event of the year is the appearance of three top senior members on the television show, *High School Quiz*. They compete with other schools from all over the state of Maine for scholarship prizes. This year in the series, Robert Fish, Nancy Woodbrey, and Richard Young carried the spirit of interscholastic competition with them in representing our school.

N.H.S. also holds food sales to raise money for scholarships to give to members at the end of the year.

Senorita Couture

CLUB DE ESPANOL

New in the school this year is the Spanish Club, formed under the supervision of Ms. Deborah Couture, also new to the high school. Ms. Couture has been inspiring Spanish culture in all her classes by cooking Spanish meals and arranging this club.

The first thing they did was elect officers, and they picked an active leader, Belinda Clinch. The club then held food sales to raise money for their next project, selling tacos at the school cafeteria. They made over seventy tacos and were sold out in fifteen minutes. The Spanish Club is planning bigger and better taco sales in the future, and will probably replace box lunches before too long.

LEOS

Karen Laverty, Madame President

This year the old "Lionettes" have changed their name to "Leo." It is still the same national organization sponsored by the local Lions Club; only the name was changed. "Leo" stands for *Leadership Experience Organization.* The girls of this club help out the community whenever they can.

The officers of Leo are president, Karen Laverty; Vice-President, Debbie Wright; Secretary, Kathy Mosher; and treasurer, Betsy Way. A party was held for the Headstart Program, and the members of Leo visited nursing homes and helped out the town library on Saturdays by reading to pre-schoolers.

In March, they plan Easter Seal collections, and helping out in the Special Olympics.

PEP SQUAD

Merv

Karen Sawyer, President

Mr. Hoskin, Advisor

With the great leadership of Karen Sawyer, the spirit in the Pep Club has increased this year. Karen has worked with Mr. Hoskin to plan rallies for both soccer and basketball, and to find ways to create more spirit. A lot of work went into making some terrific posters for the gym.

Members in the Pep Squad also helped out with the mayor skits. Candidates for Mayor were Steve Meyers, from the freshman class, and Mark Ayers, from the junior class.

Mark was elected by the student body as our Mayor, and he has done a great deal in supporting the High and Mighty Rams. He's done everything from doing the Jug Cheer with the cheerleaders to getting pies thrown in his face.

In one of the rallies even Mr. Hoskin went so far as to have a pie thrown in *his* face. For some reason this created quite a commotion among the students.

One of the rallies consisted of choosing the most spirited person in each class. After choosing one from each class, the student body chose the winner out of those four. Mr. Spirit, as we all know, is Richard Shepard, Senior Class President.

Karen and the hard-working members of the Pep Club have tried to generate spirit throughout the high school, and to a large extent, they have succeeded.

OOH,

Lisa Overlock, Head

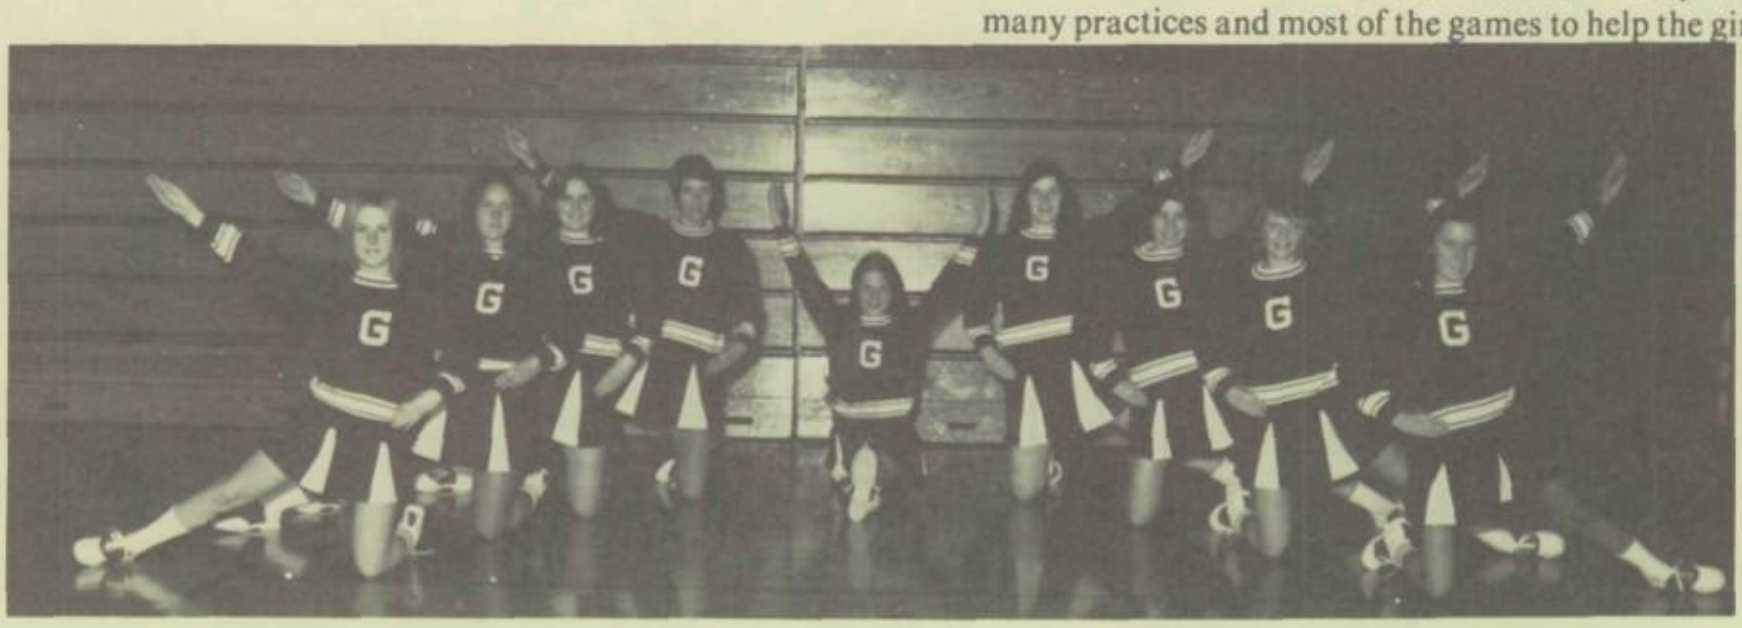
UNGAWA!

Cheering for the Varsity Teams at G.H.S. were: Becky Proulx, Vicki Laughlin, Kim Clifford, Darlene Howard, Carol Labrecque, Mamie Dugas, Christy Austin, Lisa Overlock, and Kim Bickford. These girls worked hard during summer practice and at the soccer and basketball games. Once again they sold candy to raise money, and for the first time cheered at two of the girls' basketball games.

RAMS HAVE POWER!

Members of the Junior Varsity cheering squad are: Debbie Kimball, Pam Bouchard, Jody Skillings, Gayle Labrecque, Marie Estes, Mary-Beth Mann, Sherri Porrell, Kathy Keddy, and Becky Hardy—Head. They have worked hard to learn the cheers and participate in the rallies. The cheerleaders have earned enough money this year to buy new shoes. As the seniors graduate, we will see many of the J.V.s next year on the varsity squad.

Advisors this year were Ms. Christine Fitzpatrick and assistant advisor Ms. Deborah Couture. They were at many practices and most of the games to help the girls.



FRESHMAN CHEERING

Members of the freshman cheering squad were; T. Morten, T. Morten, H. Gosse, D. Mills, M. Dornish, S. Irish, S. King, B. Lowe, J. Broadhurst, and their advisor was Ms. Schmidt. Considering it was the girls' first year cheering in the high school, they did very well, and added much spirit and color to the freshman games.

RAMSTER

The Ramster is Gorham High School's newspaper, totally run by the students and the new advisor, Mr. Pelletier. This year they turned out some fine issues, including interviews with the foreign exchange students and Bill Craig.

Ramster is designed to stir up an element of controversy and instill an amount of unity in the student body through the power of print. It also offers the students a chance to express themselves via interviews, polls and editorials.

A.F.S. has chalked up a banner year, with two students, Mike Holde from Denmark and Eduardo Fernandez from Uruguay. A welcome and much appreciated addition was Maria Fondelius, an S.I.S.E. student from Sweden.

A.F.S. has a new advisor, Miss Deborah Couture, who spent a year in Spain. Chris Meyers was selected to be our exchange student for '76-'77.

Among other things, A.F.S. pulled off a very profitable 3-minute shopping spree, annual fair and auction. The officers this year are: President, Scott Finlayson; Vice-president, Kathy Dornish; Secretary-Treasurer, Betsy Way.

EDDIE

Eduardo D'Ariel Fernandez Gonzalez is one of our American Field Service Students this year at Gorham, but we just call him Eddie.

Eddie is from Uruguay, South America. Uruguay is between Argentina and Brazil, and as you can imagine, the climate is very different from here.

One of the things Eddie found different in Maine was the snow, and the sports that went along with it. He got a big kick out of snowmobiles, and he also likes downhill skiing.

One of the things Eddie did the most (and the best) here was play soccer, soccer, and more soccer. He played on the varsity team, and when Eduardo scored a goal, *everyone* knew it. He definitely showed spirit. Soccer is the big sport in Uruguay, and the rules are a little bit different, but Eddie was living at the Stevenson home, and his father here was also the coach of the soccer team. Needless to say, he learned fast.

The most outstanding feature Eddie has is his quick smile and it can break up even the most conservative person, whether student or teacher.

Eddie took some of the toughest classes at the high school, including Advanced Math and College Physics, and despite language problems at times, he did well in them, and his English improved very much. He even taught us some Spanish.

Eddie also gave talks and showed slides (about his country and his people) for students and community members.

A very easy going and casual person, Eddie is rattled by nothing. He plays the guitar and sings very well; he also writes a few songs and poems:

If you cannot be the sun, be a star;
If you cannot be a road be a trail;
But what's important is to be
yourself.

Eduardo Fernandez Gonzalez

MIKE

Jens Michael Holde is our other A.F.S. student this year, but we call him Mike.

Mike is a rugged, red-haired Viking-type from Denmark. You can usually find him running around with a camera in his hand, and his greatest joy is buying new lenses, attachments, and gadgets for it. Unfortunately for the student body, he also liked testing out his new electronic flash in everyone's eyes. It is easy to see that Mike is a real fun guy. Actually, he is very liberal and open-minded. "The Great Dane" loves to talk about politics, especially socialism and how it works.

Schola took advantage of Mikes' photographic knowledge, and asked him to take and develop a few pictures for us. We were in a tight spot, and he worked hard for days to help us out, doing a great job.

Mike lived half of the year with the Farrington family, and the other half with the Kenneth Finlaysons.

Besides taking pictures, Mike eats a lot of the time, and thinks nothing of polishing off a quart of root beer and a bowl of chips. He also likes to sleep in late on the weekends, because he gets up so early the rest of the week.

Mike's other great love, we've discovered since he's been here, is music, and he goes absolutely wild over the Dutch group "Focus," which is also popular here, and "Led Zeppelin", another biggy. But all things considered, we must say that nothing makes him happier than a little "Uriah Heap," and not because a little goes a long way. Actually Mike likes it loud and over long periods of time.

He is one of the most carefree and happy people we've ever met, and it will be hard to see him go. We just hope he comes back again soon to see us.

"Since school started I have met a lot of people. You all mean something different to me, so therefore I want to say something different to you all; but, that would take too much room in this book, so instead all I'll say is: Thank you for a great experience! Hilsen, Mike

MARIA

Kirstin Maria Fondelius is Gorham High School's first S.I.S.E. Student, and if all the students in the program are like her, we want to have many more.

S.I.S.E. is the Student International Service of Europe. The first student from Gorham to participate in this transfer exchange will be Kathy Dornish, who will leave in August for Sweden.

Maria is from Norrköping, Sweden, and she has given us a great insight and respect for her country. She herself is warm, friendly, polite, and outgoing.

When she first came to Gorham, Maria couldn't speak very good English, but she speaks it beautifully now. She lives this year with Mr. and Mrs. Tim Cloudman of Fort Hill Road. She cooked for them some Swedish meals including *real* Swedish Meatballs. Maria says she misses raw herring, but she has a passion for our hot fudge sundies!

Maria is involved in many school activities; she takes Driver Education, works on the yearbook, helps A.F.S., and is a member of Lionettes and other organizations. She has traveled in Maine and Massachusetts, and has been to Quebec. Soon she hopes to leave for a trip to Florida.

It has been a wonderful experience for us to have Maria in our school, and we hope she will come here again.

"Thank you for all your kindness and help that you gave me during my year in G.H.S.

"I was very nervous when I first came, but that soon disappeared. Both the teachers and the students made me soon feel welcome.

"I especially want to thank Mr. Eastman for being so kind and letting me come to G.H.S. He took time to give me the personal attention that an exchange student needs.

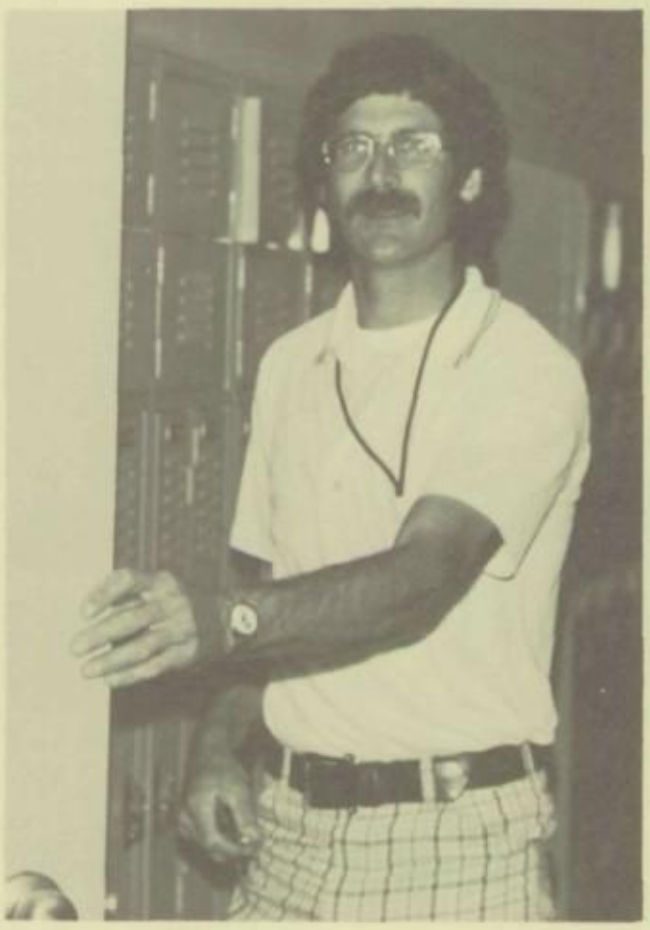
"To all my friends in G.H.S. I want to say a big thank you. You have been so kind to me, all of you, and that has been a big help for me. It is after all a very different life you live here, and I have learned a lot from this year here. This year gave me a lot of memories to bring home. I hope that you sometime somehow will come to see me in Sweden. You are so welcome.

"*Thank you all for a very fine year* in Gorham High School. Vi ses snart igen—See you again soon"—Kirstin Maria Fondelius

SKI CLUB

The Ski Club is very active this year under the leadership of Steve Watts, Advisor. Other officers are Andy Wallace, President; Mike Carter, Vice-President; Karen Laverty, Secretary; and Ginger Luce, Treasurer.

The skiers of the high school can ski at a lower rate at alternate mountains every week. The Gorham Recreational Department is responsible for scheduling the trips, and they have worked out very well, due to good skiing weather this winter and the arranging skill of the Rec Department.



ART CLUB

Front Row—Miss Gordan—Advisor, N. Swett, D. Kriner, B. Clinch, S. Wood, A. Reed, K. Wing, S. Nelson, C. Shugars, J. Piston, M. Sweeney, N. Carr, V. Begin

The Art Club is loaded with talent, and they have utilized it by helping other clubs with posters and aiding the Drama Club with its sets. They also decorated the school's windows with a Christmas scene.

They have raised money through Craft and Candle sales for a trip to the Boston Museum of Fine Arts.

The Officers this year are: President Belinda Clinch; Vice-president, Sandy Wood; Secretary, Nannette Carr; and Treasurer, Debbie Kriner.

Geology Club officers are: President Scott Boyle, Secretary-Treasurer, Heidi Heath. Advisor is Mr. Charles Sendzik.

The Geology Club is one quiet organization in the school; yet, it is very active.

Designed to promote interest in geology and related earth science fields, the club plans field trips and assists members in their collections of rocks. They also meet in the summer. The main objective this year was to obtain rock and mineral polishing equipment.

SCHOLA THE YEARBOOK STAFF

Every year around the end of August, a bunch of people get together and foolishly decide to make a yearbook. Where they got this idea, we'll never know, but we advise against it. A group of twenty-odd students work for about 7½ months taking pictures, writing stupid copy, and creating new and exciting layouts. Working late afternoons, vacations, weekends, and a few late nights, the finished product is finally put in print.

The Schola Staff would like to express its deepest thanks to Mr. Ellison, who spent long hours proof-reading every word.

We would also like to thank Chris Meyers for being a royal pain to us about deadlines.

We could never have handled all the typing with two fingers; therefore we owe much to Carol, Karen, and Mamie.

We all hope you will enjoy this yearbook as much as we have enjoyed making it.

The Staff.

DIRIGO

Scott Finlayson, Boys' State

Heidi Dolloff, Girls' State

Chosen from the senior class this year to represent Gorham at Girls' and Boys' State were Heidi Dolloff and Scott Finlayson.

The idea of Dirigo is to expose people to the inner workings of state and local government in one week during the summer. Mock elections are held, and counties and towns are represented by dorms and dorm floors. Over 400 people from schools all over Maine attend.

Heidi went to Husson College in Bangor and ran for Senate. She made it to the primaries, but lost in the finals. Heidi represented the town of Happiness in Courage County. Speakers there were William Cohen and Mark Gartley.

Scott went to the University of Maine at Orono. There were many lectures and courses of instruction, and a lot of participation.

In the evenings, the lounges, pools, gyms and tennis courts were opened, and there was inter-town competition in many sports. At the end of the week, there were play-offs, and Scott played on the winning volleyball team.

RAMS ROLL TO REGAL REST

This year's highly successful soccer team, led by a host of experienced seniors, finished with a fine 11-3-1 slate. They were not stopped until losing a close 1-0 overtime game to neighboring Bonny Eagle in the play-offs. Brian Mannette, the team's MVP, headed a strong, competitive, and enthusiastic squad.

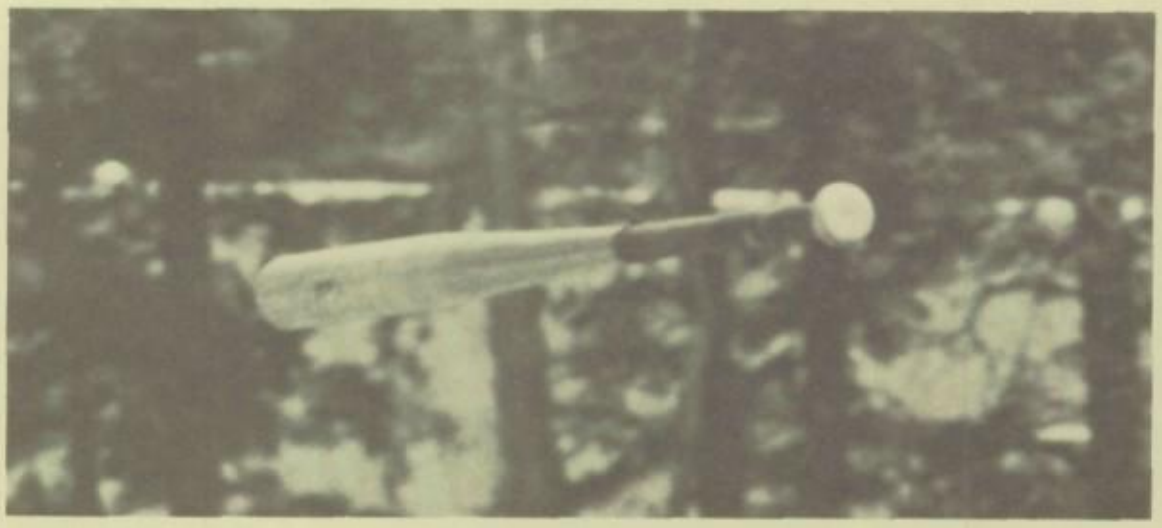
RAMS PREPARE FOR NEXT YEAR



According to Coach Alden the team's record of 6 wins and 8 losses was not a true measure of the team's ability. There were several close games. Also, the team was very young, with two starting freshman and only four seniors. The coach said that valuable experience was gained from this season.

GORHAM HURDLES TO STATE CROWN

Coached by Bonnie "Flash" Darby, the girls' track team won the state championship by "a country mile." Kim Nason and Cindy Gray set state records in the hurdles and javelin respectively. They each took firsts in two other events as well. Capturing medals in three running events was Sharon Golden, while Joni Runnells leaped to victory in the high jump. Judy Orach and Lee Parady took honors in running events. The whole team made it possible for a victory at the Triple-C meet.

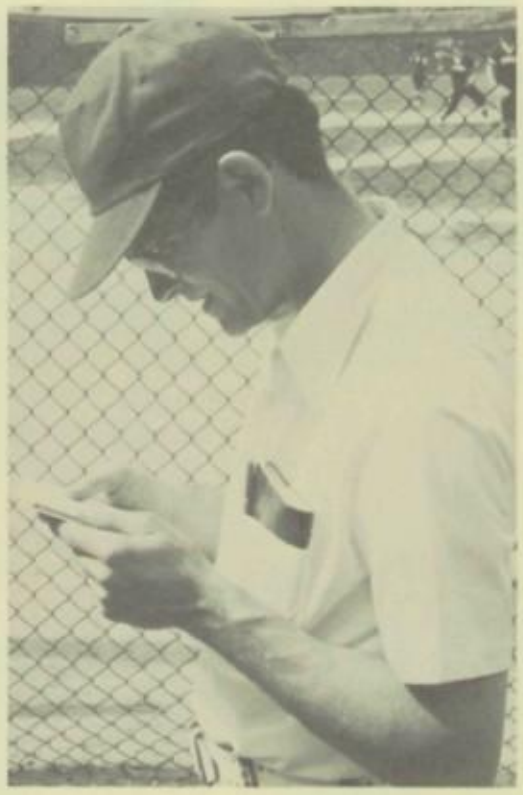
TEAM TAKES TRIPLE-C TITLE



The 1974-75 Girls' Softball team batted its way to a 13-0 season and won the Triple-C Shore Division title. Coach Russ Nealey credits the whole team for its fantastic season: "It was a team effort and we were working with a real bunch of exceptional young ladies." One of the most outstanding games was the Windham game which went into two extra innings and resulted in a 6-5 win. Key performers for the season were Terry Swain, who received the MVP award; Gloria Chapman, Sue Charrier and Janet Hoskin.

The Gorham High School Chorus, under the direction of Mrs. Lynn Silcox, has been a very active organization. They performed at the Maine Mall and at the Annual Christmas Concert. They also sang at an assembly at Greely High School. For the third year in a row they have sold "Current Stationery" products. The officers this year are: President, Dennis Crowe; Vice-President, Nancy Woodbrey; Secretary-Treasurer, Heidi Dolloff.

Up With People

In the Spring of 1975, the chorus had its fourth annual show. Because of the time and effort put into it, by Mrs. Silcox and chorus members, the show was a great success. Below are some scenes from "Up With People."

Dramatics

Director, Mrs. Fitzpatrick

K. Edwards

The Dramatics Club started the year with the election of officers. Karen Edwards was elected president, Cindy Richardson was elected vice-president, and Kathy Farrington was elected as treasurer. They planned two plays for a March performance: "The Storm" and "Apple for Teacher." They also planned to work with the chorus to perform a musical.

Maine Maritime Academy

Assembly

As the new year came in it brought with it a new face to the office staff. Mrs. Virginia Wentworth retired and was replaced by Miss Hansen. We would like to wish Mrs Wentworth good luck in her future plans and welcome Miss Hansen to Gorham High School.
